AC Baguio Hosts MOOC Camp Program

Photo By SLU Libraries

American Corner Baguio hosted the Massive Open Online Course (MOOC) Camp Program through the US Embassy entitled "Hour of Code Programming" offered by Khan Academy, Mountain View, California last May 2019.

The recipients of this program were 34 selected students from grades 11 and 12 of SLU Laboratory High School. Ms. Rona Domantay, SLU Laboratory

High School- Senior High Computer Science Teacher facilitated the program. The students were taught throughout the course on how to make computer application programs using codes. Some of the outputs of the students such as game applications were presented during the culminating activity held at American Corner Baguio. The activity was attended by Mr. Randolph Mariano, and Ms. Mylene Garcia, Deputy Director and Program Coordinator of American Spaces Philippines, U.S. Embassy in the Philippines, respectively. The event was also graced by Dr. Romeo Javier, Principal and Ms. Maricris Tolentino, Assistant Principal of SLU Laboratory High School-Senior High.

SLU LIBRARIES ENGAGEMENTS TO PROFESSIONAL DEVELOPMENT

SLU hosts Luzon leg of CE-Logic Regional Conference Series

Saint Louis University hosted the North Luzon leg of CE-Logic Regional Conference on January 24-25, 2019 at Fr. Gevers Hall, with the theme entitled “Distinctive Library Services as Signifiers of Excellence”.

The two-day seminar-workshop, which was also participated by SLU Section Head Librarians, gathered information professionals from Northern Luzon to apprise librarians on developments affecting trends in

librarianship, digital management, information/media literacy, 21st century competencies of librarians, and their continuing professional development. This seminar-workshop is a Professional Regulation Commission accredited Continuing Professional Development (CPD) activity that entitled attendees with 14 CPD units.

The regional conference series is an annual event organized by CE-Logic, Inc. as a part of its commitment in providing development programs for professionals in the education sector and modernizing the

library and information services in the country.

11th CE-Logic National Conference

Section Head Librarians Mrs. Racquel Estrada, Mrs. Michelle Biray, and Ms. Leonila Reyes together with the Director of Libraries Dr. Rina H. Diaron attended the 11th CE-Logic National Conference with the theme entitled, “Industrial Revolution 4.0: Changing the landscape of Education” on May 9-10, 2019 at Seda Verdis North, Diliman, Quezon City. The conference discussed current issues and challenges in librarianship and in advancing library and information services in the community.
