In cooperation with the Philippine Red Cross, the SLU-SOM Medical Outreach Missions held a 4-day basic life support and standard first aid training (BLS-SFAT) on May 23–26, 2022 at the fifth floor of the Baguio Center Mall.

The four-day course not only gave the medical students the fundamental know-how they needed to perform CPR with an AED, bandage wounds, and perform other first aid procedures in emergency situations, but it also inspired them to keep their passion for using their medical knowledge to keep others alive. It was a very transformative event.

Lights's Project I-CARE and Relief Operations

The Louisians Imbided with Genuine Spirit for Hospitality Transformation of the School of Accountancy, Management, Computing and Information Studies spearheaded the Brigada Pagbasa: Project I-C.A.R.E. (I Can Apply Reading Every day). LIGHT ACTIVITY: Brigada Pagbasa: Project I-C.A.R.E. (I Can Apply Reading Every day). The project began in November 15, 2021 and aimed to increase reading competencies of target beneficiaries of Bakakeng Elementary School. PROJECT I-C.A.R.E. (I Can Apply Reading Everyday) anchored to the BRIGADA PAGBASA which is a nationwide movement reading program to increase the reading abilities of Filipino learners. Due to the pandemic resulting to the lack of face-to-face classes, the number of learners identified to be frustration readers has increased. Project I-C.A.R.E. aimed to help the struggling readers enrich their reading abilities through reading programs and interventions. Chosen Volunteer Works of LIGHT spent time to read stories to learners in the community online and/or face to face while others chose to be Volunteer Book Donors who provided reading materials especially story books to learners.

Light Up Blue: Mental Health Solidarity in Coopertaion with PMHA CCI
