## ACCOUNTANCY PROGRAM CATALOG

## **SLU VISION-MISSION**

"Saint Louis University is envisioned as an excellent missionary and transformative educational institution zealous in developing human resources imbued with Christian Spirit and who are creative, competent and socially involved."

## **SCHOOL VISION-MISSION**

The School of Accountancy, Management, Computing and Information Studies (SAMCIS) is envisioned as the center of excellence in Business, Management, and Information Technology Education, committed to the creative, competent, and Christian formation of individuals, who can be agents of progress in the changing local and international business and information technology environments.

## **PROGRAM EDUCATIONAL OBJECTIVES (PEO)**

Three to five years after graduation, graduates of the BS Accountancy Program are expected to:

1. demonstrate in-depth knowledge and skills of accountancy in the workplace, and adapting to change by seeking professional advancement;
2. uphold Christian values and professional ethics in the conduct of accounting work;
3. apply creative skills and critical thinking to arrive at innovative ideas that enhance the practice of accounting across various settings; and
4. support various stakeholders and the general public by participating in engagements that serve the accounting-related needs of organizations and communities in general.

## **PROGRAM LEARNING OUTCOMES (PLO)**

Graduates of the BS Accountancy program are expected to:

1. apply competencies in social sciences, mathematics, business laws & taxation, and relevant management philosophies in the field of accountancy;
2. communicate business concepts and strategies effectively, orally and in writing, in English and Filipino, using appropriate technology;
3. resolve business issues and problems with global and local perspectives using their knowledge and technical proficiency;
4. employ technology as a business tool to capture financial and non-financial information, generate reports, and make decisions;
5. prepare financial statements and other reports to be communicated to management and other stakeholders;
6. perform audit and other attestation functions;
7. apply the generally accepted accounting principles, auditing standards, and business laws in carrying out tasks in the workplace;
8. conduct ethical accounting-related research to identify gaps between current and literature-based concepts and theories and generate new knowledge;
9. conduct studies to assess a potential business's market, finance, human resource, and accounting viability;

10. apply knowledge and skills that will enable them to successfully respond to various types of assessments (including professional licensure and certification);
11. practice professionalism, good corporate citizenship, ethics, and social responsibility, and manifest inclusiveness in all aspects of the accountancy profession;
12. develop one's personality and competencies as a Filipino Louisian accountant continually and holistically to keep abreast with local and global developments;
13. work effectively and independently in multi-disciplinary and multi-cultural teams; and
14. practice Christian values in their personal and professional endeavors as Louisians in the service of the CICM mission.

## ADMISSION POLICIES

Saint Louis University welcomes local and foreign students alike, subject to University admission Policies, requirements, and academic standards and pertinent laws of the Republic of the Philippines

### Undergraduate Freshman Students

- All undergraduate freshman applicants must pass the SLU College Entrance Examination (SLU-CEE) and must qualify within the slots duly determined for their chosen course. The regular SLU-CEE is conducted during weekends from the middle of October up to the middle of December. Admission for the first semester starts at the middle of April.

### Transfer Students

- SLU admits transferees in all courses except Bachelor in Medical Laboratory Science subject to their compliance with pertinent requirements and guidelines. They must undergo a Qualifying Examination (QE) and if qualified, will take the Personality Test and Interview. Foreign students applying as transferee are subject to the English Proficiency Test (EPT) rule.

**Graduate Program Students**

- The applicant must have finished the prerequisite degree/s prior to acceptance to the Graduate Program;
- For a Master's degree, the applicant must have a Baccalaureate degree from an institution of recognized standing
- For a Doctorate degree, the applicant must have a Master's degree in related fields from an institution of recognized standing.

**Foreign Students**

- Foreign students should apply not later than 6 months before the start of the academic term. Moreover, they should be in Baguio City at least 4 weeks before the start of classes of the academic term for them to take the EPT as well as SLU-CEE / QE / GPPE, and Personality Test.
- Foreign students applying for the first time either in the undergraduate or graduate program should initially possess satisfactory proficiency in English and have passed the EPT as well as the pertinent entrance examination and Personality Test. Before enrolling, they undergo Preadmission Processing at the Student Affairs Office.
- Foreign students must secure a valid Student Visa. There are two options in securing a Student Visa. For related information, consult Foreign Student section of the Registrar's Office.
