SLU VISION-MISSION

"Saint Louis University is envisioned as an excellent missionary and transformative educational institution zealous in developing human resources imbued with Christian Spirit and who are creative, competent and socially involved. "

SCHOOL VISION-MISSION

The School of Accountancy, Management, Computing and Information Studies (SAMCIS) is envisioned as the center of excellence in Business, Management, and Information Technology Education, committed to the creative, competent, and Christian formation of individuals, who can be agents of progress in the changing local and international business and information technology environments.

PROGRAM EDUCATIONAL OBJECTIVES (PEO)

Three to five years after graduation, graduates of the BSBA Financial Management Program are expected to:

1. apply Christian values and ethical behavior in their personal and professional endeavors in a globalized, multicultural, and technology-driven world;
2. develop creative solutions through research and innovative projects to address discipline-related problems and issues;
3. demonstrate the finance profession and pursue life-long learning in their personal and professional development; and
4. engage in community-based programs to promote sustainable solutions that will address global, political, societal, and environmental concerns.

PROGRAM LEARNING OUTCOMES (PLO)

Graduates of the BSBA major in Financial Management with Specialization in Business Analytics Program are expected to:

1. communicate business concepts and strategies effectively, orally and in writing, in both English and Filipino using appropriate technology;
2. apply financial principles, theories, and concepts in the public and private entities;
3. evaluate socio-political and economic factors in multi-disciplinary and multi-cultural local and global business environments;
4. exhibit relevant knowledge in research in the field of financial management;
5. participate in the community-based programs that would enhance the proper utilization, procurement and allocation of funds towards the improvement of the financial capability of individuals in the community;
6. demonstrate ethical behavior in handling money, financial instruments, and in all financial dealings;
7. promote "Filipino historical and cultural heritage" through a life imbued with patriotism and participative action in the development of the Philippine financial system; and
8. practice Christian values in their personal and professional endeavors as Louisians in the service of the CICM mission.

ADMISSION POLICIES

Saint Louis University welcomes local and foreign students alike, subject to University admission Policies, requirements, and academic standards and pertinent laws of the Republic of the Philippines

Undergraduate Freshman Students

- All undergraduate freshman applicants must pass the SLU College Entrance Examination (SLU-CEE) and must qualify within the slots duly determined for their chosen course. The regular SLU-CEE is conducted during weekends from the middle of October up to the middle of December. Admission for the first semester starts at the middle of April.

Transfer Students

- SLU admits transferees in all courses except Bachelor in Medical Laboratory Science subject to their compliance with pertinent requirements and guidelines. They must undergo a Qualifying Examination (QE) and if qualified, will take the Personality Test and Interview. Foreign students applying as transferee are subject to the English Proficiency Test (EPT) rule.

Graduate Program Students

- The applicant must have finished the prerequisite degree/s prior to acceptance to the Graduate Program;
- For a Master's degree, the applicant must have a Baccalaureate degree from an institution of recognized standing
- For a Doctorate degree, the applicant must have a Master's degree in related fields from an institution of recognized standing.

Foreign Students

- Foreign students should apply not later than 6 months before the start of the academic term. Moreover, they should be in Baguio City at least 4 weeks before the start of classes of the academic term for them to take the EPT as well as SLU-CEE / QE / GPPE, and Personality Test.
- Foreign students applying for the first time either in the undergraduate or graduate program should initially possess satisfactory proficiency in English and have passed the EPT as well as the pertinent entrance examination and Personality Test. Before enrolling, they undergo Preadmission Processing at the Student Affairs Office.
- Foreign students must secure a valid Student Visa. There are two options in securing a Student Visa. For related information, consult Foreign Student section of the Registrar's Office.
