The main role of the SLU Parish is to assist in the realization of the vision, mission and goals of Saint Louis University and of the Diocese of Baguio, through the empowerment of its students, faculty, non-teaching personnel and administrative personnel. As a Christian community, SLU Parish seeks to stimulate, nurture and challenge one another spiritually and intellectually through its ministries in order to live a Christ-centered life. It is a full-pledged parish, and not merely a chaplaincy, with all the programs and sacramental responsibilities of such. The hope of the Parish at SLU is to form small groups of Christian disciples who worship, hear God's Word and become Good news for each other, building therefore a new world order according to God's plan.

Fascinating Event!

The 11th Regional Health Research Conference organized by the Cordillera Regional Health Research and Development Consortium (CRHRDC) with the theme "Sustainability Development: Resilience through Health Research" took place on June 15, 2023 at the Saint Louis University Maryheights campus, Bakakeng, Baguio City.

The conference aimed to gather member institutions and provide a platform for novice and skilled researchers in the region to share their work.

During the conference, both student and professional researchers had the opportunity to present their research papers in either the oral or poster categories. This allowed participants to showcase their findings, exchange knowledge, and contribute to advancing health research in the Cordillera region.

The Fr. Joseph Van den Daelen – Center for Culture and the Arts (CCA) is envisioned as a creative and excellent center that harnesses and optimizes the potential of both the student-artist as well as the educators, through the significant programs that promote cultural awareness and the Christian spirit, develop artistry and competence in the arts, and the provision of quality facilities and services to the University and the community.
