Academic Excellence
& Missionary Spirit

SAS VISION AND MISSION

We envision a Graduate School that stands for excellence and innovation and that will be globally identified for the distinction of its programs and quality of its research.

As a CICM institution whose identity and purpose originates from a tradition of academic excellence, we are committed to:

- develop the intellect and creativity through excellence in instruction, research and extension work.
- form scholars and high level professionals in the various disciplines who are ethical and who demonstrate functional competencies in both the local and global workplace.
- hone the professional and social skills and critical capabilities of students enabling them to become responsible leaders in their careers and community.
- provide students opportunities to serve the larger community through extension work and community service.
- produce quality research in the various fields of knowledge that is internationally recognized.
- recruit faculty who are acknowledged experts in the field and to complement the teaching staff by inviting international scholars in the various disciplines.
- build partnerships and linkages between the Graduate School and academic institutions, industry and government entities at the local and international level.
- enhance the image and visibility of the Graduate School and its work in both the local and global community.

QUALIFICATION AND PROCEDURE

The applicant must have finished the prerequisite degree/s prior to acceptance to the Graduate Program:

- For a Master's degree, the applicant must have a Baccalaureate degree from an institution of recognized standing.

***Note: For Master of Science in Nursing, at least one (1) year professional clinical practice related to chosen field of specialization.*

- For a Doctorate degree, the applicant must have a Master's degree in related fields from an institution of recognized standing.
- Prospective applicants who would like to enroll in any of the programs of SAS shall send a **letter of application** and scanned copy of the latest **Official Transcript of Records** through email to the Graduate Program Coordinator (GPC) heading the program where he/she intends to enroll.
- The GPC evaluates the transcript to determine the academic qualifications of the prospective applicant and schedules for an interview. This may be done via Zoom, Google Meet or any other electronic means.
- The GPC schedules for the Graduate Program Entrance Examinations (GPEE).

ADMISSION REQUIREMENTS

For transferees/ Non SLU students:
