4.8. In compliance with SLU President's Memo re: Effective Implementation of CHED Memorandum Order No. 63, Series of 2017 and pursuant to the SLU President's Memorandum Re: OUT-OF-CAMPUS ACTIVITIES, issued on 12 December 2005 and its references and attachments:

- a. All other off-campus curricular and non-curricular activities that do not fall under the category of field trips shall be subject to the approval of the University President upon the endorsement of the Vice President for Academic Affairs and all other applicable offices; provided, that for mission-related non-curricular activities, the endorsement shall come from the Vice President for Mission and Identity. The School Dean / Head of Office concerned should at all times ensure the safety and welfare of the student participants. Further, the said activities will be subject to the university regulations and guidelines for Out-of-Campus Activities, i.e. Parent's Consent, Checklist before Any Out-of-Campus Activities, and the appropriate Activity Forms.
- b. Relative to the required Parents' Consent allowing the individual member to join, it is strongly advised that each registered member submits to the Organization Secretary a clear photocopy of at least one government-issued ID with photo and signature (Voter's ID, SSS, GSIS, Driver's License) of his parent(s) and/or legal guardian with the corresponding original signature affixed beside the photocopied version of the signature by the parent(s)/guardian to authenticate said signature/s; and,
- c. Sanction/s: Holding out-of-campus activity without prior approval by the University President, whether directly or indirectly involving or using the name of the organization by the organization as a whole or by some members and/or in partnership with any entity within or outside the University shall cause, on first offense, suspension of operation for at least 4 months as well as the imposition of appropriate disciplinary sanction to individual students who conspired to hold the said unauthorized activity; resumption of operation shall however be subject to submission of written appeal, the favorable decision of which shall be under strict terms and conditions.

MOA Between SLU and Dativa Cristobal Grant

Today, February 7, 2024, marks a significant milestone as the Saint Louis University (SLU) and the Dativa Cristobal Foundation, Inc. formalize their partnership through a Memorandum of Agreement for the Dativa Cristobal Grant. This grant aims to facilitate crucial initiatives, including the provision of free legal assistance in Baguio City and the Cordillera region by the CJMM CLAO, as well as funding research projects led by students or faculty members of SLU.

In its inaugural phase, the grant will empower the CJMM CLAO to deliver vital legal counseling and support services to women and children. Additionally, it will enable the organization to conduct educational workshops geared towards the empowerment of women and children, establish a helpline for immediate assistance to survivors of violence, and foster collaborations with local law enforcement and community partners. These endeavors align with our shared commitment to advocating for justice and promoting the well-being of vulnerable populations in our community.

SLU participates in the Training for Effective Project Management for Access to Justice.

On July 8-12, 2024, the Governance in Justice Programme, Phase II (Governance in Justice - GoJust II) conducted a **Training for Effective Project Management for Access to Justice** held at the Quest Plus Convention Center, Clark, Pampanga for European Union fund grantees. The training was attended by participants from different schools implementing Clinical Education Program and Civil Society Organizations. Saint Louis University was represented by Atty.

Victoria P. Dines, OIC of CJ Moran Community Legal Assistance Office/CLEP Director, and Ms. Rebecca L. Palabrica, Accountant III of SLU's Finance Office-Accounting Section.

By attending the training, Atty. Dines and Ms. Palabrica were able to increase their knowledge regarding project management principles and methodologies. They were also able to learn as well as share best practices in managing access to justice projects or programs. This knowledge gained by Atty. Dines and Ms. Palabrica would surely benefit Saint Louis University and its School of Law in its access to justice project or program planning and implementation.
