Saint Louis University

Implements Sustainable Practices
Through Commuting, Remote Work,
Affordable Housing, and Eco-Conscious
Development and Planning Standards.

Indicator 11.4.1

Saint Louis University Sustainable Practices Targets

SLU Sets Targets for More Sustainable Communting

Published in the Saint Louis University Website:

https://www.slu.edu.ph/environmental-programs/

Saint Louis University has established Laudato Si programs for care of the environment and more sustainable commuting.

Memo: Car-less day every last Wednesday of the Month

Observation of Car-less Day:

No cars will be allowed entry every last <u>Wednesday</u> of the month. This will reduce our carbon footprint and emission. Further, this will advocate the mindful use of vehicles to aid in the mitigation of the effects of air pollution.

Laudato Si Goal 1: Response to the Cry of the Earth Laudato Si Goal 2: Response to the Cry of the Poor Laudato Si Goal 3: Ecological Economics

Memo: Parking Discount for Employees Engaged in Carpooling

Parking Discount for Employees Engaged in Carpooling

The University encourages carpooling. For this purpose, a carpool is defined as having at least two, University based, car-driving members.

Those who are officially registered with the CSSCO as engaged in carpooling shall be eligible to a thirty percent (30%) discount in parking fees, after compliance with the following requirements:

- There must be at least two University-based car-driving members who have valid parking permits in their own names
- They must be using the main campus on a regular (not just ad hoc basis) for a period of at least two (2) months prior to application
- They elect a car that will be used for their carpool. Only one car shall be recognized by the University. The owner of the said car that was elected (lead owner) shall have the responsibility of ensuring the smooth operation of the carpool
- The lead owner shall forward the duly accomplished carpool registered form to the CSSCO and shall surrender the parking permits/stickers/tags of the other members of the carpool
- The CSSCO shall then process the application with a recommendation to the Finance Office to grant the parking fee discount. The discount shall be

SLU Car Coding Policies, Car Pooling Incentives, FitAquatic Shuttle Services and Bicycle Racks

Published in the Saint Louis University Website:

https:/drive.google.com/file/d/1FfE95QWXYwv0olIr_fWlukVRb1EKKKsP/view https:/www.slu.edu.ph/2022/06/25/slu-bike-racks/

Coding Policies for vehicle entry to the campus have been issued to employees and students in July 2011 and have been observed up to the present. A memorandum that reiterates the policies has been issued in September 2022. Moreover, the Parking discount is granted to employees engaged in carpooling-Administrative memo no. 40, S 2017

Furthermore, the bicycle racks were installed in different locations within the elementary, junior high school, senior high school, and college department campuses to encourage employees and students to bike to and from school, for a healthier lifestyle and reduced pollution from commuting. A total of seven bike racks are installed on the different campuses of the university, which can accommodate 70 bikes.

Fit-Aquatic Shuttle Services for More Sustainable, Affordable and Safer Transport

Published in the Saint Louis University Website:

Ohttps:/www.slu.edu.ph/2024/09/29/slu-promotes-sustainable-commuting-through-shuttle-services/

Under the Fit-Aquatic courses of the students, the University, through the School Services Operators and Drivers' Association, provides shuttle services to students to ensure safe, timely, and low-cost ferrying of the students from the SLU-main campus to the Mary Heights Campus-FitAquatics facility and vise versa. Written Guidelines have been provided and released to all parties concerned for this purpose.
