Louisians clinch 2nd and 3rd Places in TCS Sustainathon Philippines 2023 Finals

On 8 February 2024, two Information Technology teams from Saint Louis University–School of Accountancy, Management, Computing, and Information Studies (SLU-SAMCIS) placed second and third in the Tata Consultancy Services (TCS) Sustainathon Philippines Finals held in Taguig City. The competition, themed “Empowering Women in STEM,” promoted digital innovation to address gender gaps in Science, Technology, Engineering, and Mathematics. SLU’s recognition among ten national finalists reflects its commitment to SDG 4: Quality Education by fostering inclusive, skills-based learning and advancing gender-responsive innovation in higher education.

SLU joins the National Training of Lead Trainers on the MATATAG Curriculum

Published in the Saint Louis University Website:

<https://www.slu.edu.ph/2024/02/12/slu-joins-the-national-training-of-lead-trainers-on-the-matatag-curriculum/>

Saint Louis University (SLU), through the Coordinating Council of Private Educational Institutions of the Philippines (COCOPEA) and the Catholic Educational Association of the Philippines (CEAP), participated in the Training of Lead Trainers on the MATATAG Curriculum held from 5–9 February 2024 in Quezon City. Three SLU-BEdS teachers—Ms. Joan F. Alim (Araling Panlipunan), Ms. Florida C. Martin (TLE), and Ms. Claire K. Lupos (Kindergarten)—were selected by CEAP-CAR, alongside Ms. Marcia M. Viray of Saint Louis School Center, Inc., to represent the region. The training, organized by DepEd and NEAP, focused on the implementation of the MATATAG Curriculum for Kindergarten, Grades 1, 4, and 7. This initiative aligns with SDG 4: Quality Education by strengthening teacher capacity, curriculum readiness, and regional collaboration in support of foundational learning reform.
