

LOCKER USAGE

- The locker is on a first-come, first-served basis. Only one locker is allowed to be used by the library client.
- Library clients must present their SLU RFID at the Information Desk in exchange for a locker key and must not bring the key outside the library premises.

Rules:

- Library clients must store all their personal belongings inside the locker except for valuables.
- The library is not responsible for any item left unattended.
- Items such as food, beverages, and electronic devices, are prohibited inside the lockers.
