

REQUIREMENTS FOR ADMISSION

Library services are available to different types of library clients. The specific access requirements for each type are detailed below:

A. Regular Library clients:

Eligibility: Students currently enrolled, faculty members, non-teaching personnel, and administrative staff of SLU.

Access Requirements: A valid SLU RFID card is required. For onsite visits to the library, library clients are advised to tap their RFID card at the Patron Statistics Terminal stationed at each floor's entrances.

B. Alumni and Reviewers:

Access Requirements: A valid SLU Alumni RFID card is required. Alumni clients are advised to tap their RFID cards at the Patron Statistics Terminal stationed at each floor's entrances during on site visits.

C. Outside Researchers:

Eligibility: Researchers from institutions other than SLU.

Access Requirements: A referral letter signed by the Director of Library/Chief Librarian from the researcher's institution is required. Additionally, library clients must secure a permit from the Office of the Director of Libraries located at the 4th Floor of Msgr. Charles Vath Building.
