PROPORTION OF GRADUATES IN LAW

GRADUATES OF SCHOOL YEAR 2025-2026

Celebrating a remarkable academic milestone for Saint Louis University's governance-focused programs, 180 graduates (comprising 120 Bachelor of Arts in Political Science, 39 Juris Doctor, and 21 Master of Laws graduates) represented roughly 4.1% of the university's 4,416 total graduates for SY 2025–2026. This focused cohort underscores the institution's vital role in cultivating qualified legal professionals, public servants, and policy advocates prepared to uphold the rule of law. By directly fortifying the pipeline of ethical leaders and legal scholars dedicated to accountable governance, this educational achievement closely aligns with United Nations Sustainable Development Goal 16: Peace, Justice, and Strong Institutions.
