Empowered Mothers: SLU's Advocacy for Benguet Outreach

Through the Office of the Internal Auditor (OIA), Saint Louis University (SLU) once again brought the spirit of service to life through its flagship outreach initiative, the *Bright Start Program*, with the theme: *Cultivating Minds, Empowering the Future*. The recipients for the academic year 2025-2026 are students, parents, and teachers of the Datakan Integrated School in Kapangan, Benguet.

The sessions on "*Empowering Parents and Teachers Through Mental Health* " and "*Teachers and Parents as First Responders*" were facilitated for parents and teachers. For these sessions, majority of the participants were female teachers and mothers of students.

Through this mentoring scheme, mothers and teachers are trained to have the capacity to be first responders and catalysts for growth, embodying SLU's mission to cultivate resilient minds and empower a brighter future for the Datakan community.
